Preface ................................................................. iii
Figures ................................................................. ix
Tables ................................................................. xi
Summary .............................................................. xiii
Acknowledgments .................................................. xvii
Abbreviations ....................................................... xix

CHAPTER ONE
Introduction ....................................................... 1
Background ......................................................... 1
Definition of JTF Headquarters ................................. 2
Study Objective and Analytic Approach ..................... 4

CHAPTER TWO
Challenges in Past and Ongoing Joint Force Operations ... 7
Historical Force Deployments .................................... 7
Observations from Recent and Ongoing Deployments ...... 11
Headquarters Structures of Selected Recent and Ongoing Operations 15
Staffing JTF Headquarters ....................................... 18
Integrating Joint and Interagency Capabilities .............. 21
Air-Ground Integration ........................................... 22
Integrating SOF and Conventional Forces .................... 26
Integrating Conventional and Influence/Information Operations 28
Strategic Communications Intended for Media Outlets .... 29
Challenges Posed by Emerging Missions .................... 30
Stability, Security, Transition, and Reconstruction Operations 30
WMD-Elimination Missions ........................................... 34
Homeland Defense/Civil Support Missions ...................... 36
Department of Defense Initiatives to Improve Command and Control for Future Contingencies ................................. 39
Summary ........................................................................ 41

CHAPTER THREE
Potential Capabilities of Future Joint Task Forces .......... 43
Stability, Combat, and Related Operations ....................... 44
Missions to Eliminate Weapons of Mass Destruction ......... 49
Homeland Defense/Civil Support Operations .................... 54
Estimating Aggregate Demand for Joint Headquarters .......... 58

CHAPTER FOUR
Approaches to Structuring Army-Led Joint Task Forces ...... 63
Approach 1: Create JTF Headquarters from Scratch, as Needed, with
Individual Augmentees .................................................. 63
Approach 2: Use Existing Division, Corps, or Theater Army
Headquarters as the Core of JTF Headquarters .................. 64
Approach 2a: Assign JTF Headquarters Duty to Division
Headquarters .................................................................. 65
Approach 2b: Assign JTF Headquarters Duty to Corps .......... 68
Approach 2c: Assign JTF Headquarters Duty to Theater Armies .... 71
Comparison of Recent Contingencies with Existing and New
Divisions, Corps, and Theater Armies ............................... 73
Approach 3: Provide Forces to Standing JTF Headquarters Dedicated
to Specific Combatant Commands .................................... 76
Approach 4: Provide Specialized Headquarters Augmentation to
Combatant Commands .................................................... 79
Meeting Aggregate Demand for JTF Headquarters ............... 80

CHAPTER FIVE
Tailoring Joint Task Forces to Ensure the Integration of Joint and Interagency Capabilities ......................................... 85
Integrating Joint Operations ............................................ 85
Integrating Air and Ground Operations ............................ 86
Integrating Conventional and Special Operations Forces ............... 88
Integrating Information/Influence Operations and Strategic
Communications ............................................. 89
Augmenting from Other Services, Joint Organizations, and U.S.
Government Agencies ......................................... 89
Training and Exercising with Joint and Interagency Forces .............. 92
Summing Up: Actions Needed to Ensure Timely, Effective JTF
Headquarters Deployment ....................................... 93
What the Army Can Do ......................................... 94
What the Combatant Commands and Joint Organizations Can Do ... 94
What the DoD and Other U.S. Government Departments and
Agencies Can Do ............................................. 95

CHAPTER SIX
Conclusions and Recommendations .................................... 97
Conclusions ..................................................... 97
Recommendations .............................................. 98
Prepare Potential JTF Headquarters to Command in Complex
Contingencies .................................................. 100
Improve the Process to Staff, Train, and Shape JTF Headquarters .... 100

Bibliography .................................................... 103
