

Hiroshi Saito, Masaki Ito and Toshihiko Fujita: Outline of "Research on Deep-sea Fauna and Pollutants off Pacific Coast of Northern Japan" .....	1
Hiroshi Namikawa: Preliminary Report on Deep Water Hydrozoan Species Collected from the Pacific Ocean off Northern Japan. ....	19
Toshiaki Kuramochi: Digenean Trematodes of Fishes from Deep-sea Areas off the Pacific Coast of Northern Honshu, Japan .....	25
Minoru Imajima: Deep-sea Benthic Polychaetes off Pacific Coast of the Northern Honshu, Japan .....	39
Takashi Okutani, Hiroshi Saito and Takuma Haga: Shelf to Bathyal Bivalve and Scaphopod Mollusks Collected by the R/V <i>Wakataka-maru</i> from off the Pacific Coast of Northern Japan during the Years 2005-2007 .....	193
Kazunori Hasegawa: Upper Bathyal Gastropods of the Pacific Coast of Northern Honshu, Japan. Chiefly Collected by R/V <i>Wakataka-maru</i> . ....	225
Tsunemi Kubodera: A Review of the Deep-sea Cephalopod Fauna off the Pacific Coast of Northeastern Japan .....	385
Kouki Fukuoka: Deep-sea Mysidaceans (Crustacea: Lophogastrida and Mysida) from the Northwestern North Pacific off Japan, with Descriptions of Six New Species .....	405
Ko Tomikawa and Hironori Komatsu: New and Rare Species of the Deep-sea Gammaridea (Crustacea: Amphipoda) off Pacific Coast of Northern Honshu, Japan .....	447
Takeo Yamauchi: Deep-sea Cymothoid Isopods (Crustacea: Isopoda: Cymothoidae) of Pacific Coast of Northern Honshu, Japan .....	467
Tadashi Akiyama: Deep-sea Cumacean Crustaceans (Peracarida) Collected from Pacific Coast of Northern Honshu, Japan .....	483
Tomoyuki Komai and Hironori Komatsu: Deep-sea Shrimps and Lobsters (Crustacea: Decapoda) from Northern Japan, Collected during the Project "Research on Deep-sea Fauna and Pollutants off Pacific Coast of Northern Japan" .....	495
Hironori Komatsu and Tomoyuki Komai: Thalassinidea, Anomura and Brachyura (Crustacea: Decapoda) from Northeastern Japan Collected during the "Research on Deep-sea Fauna and Pollutants off Pacific Coast of Northern Japan" Project .....	581
Koichiro Nakamura: Pycnogonida Collected from the Pacific Coast of Northern Honshu, Japan .....	615
Toshihiko Fujita, Utako Iwasaki and Masanori Okanishi: Ophiuroids (Echinodermata) of Genus <i>Ophiura</i> Collected from Deep Waters off Pacific Coast of Northern Japan .....	619
Andrey A. Balanov, Masatoshi Moku, Kouichi Kawaguchi and Gento Shinohara: Fishes Collected by Commercial Size Midwater Trawls from the Pacific Coast off Northern Japan .....	655
Gento Shinohara, Yoji Narimatsu, Tsutomu Hattori, Masaki Ito, Yohko Takata and Keiichi Matsuura: Annotated Checklist of Deep-sea Fishes from the Pacific Coast off Tohoku District, Japan .....	683
Shin Takahashi, Tomoko Oshihoi, Tomohiko Isobe, Karri Ramu, Koji Ohmori, Tsunemi Kubodera and Shinsuke Tanabe: Contamination by Persistent Organohalogen Compounds in Deep-sea Fishes from off the Pacific Coast of Northern Japan .....	737
