

<i>Preamble</i>	v
<i>List of Contributors</i>	xi
1. Climate Change: Cause and Concern <i>Asish Ghosh</i>	1
2. Climate Change: Impacts, Adaptation and Mitigation <i>Sayan Bhattacharya and Aniruddha Mukhopadhyay</i>	7
3. Impact of Climate Change on Geological System <i>Chittaranjan Bhattacharyya</i>	24
4. Coal Mining and Climate Change: An Environmental Vista <i>Apurba Ratan Ghosh</i>	56
5. Understanding Change in the Glaciers of the Indian Himalayas <i>Divya Mohan and Shirish Sinha</i>	65
6. Predicted Global Forest Changes: Apprehensions and Realities <i>Tapan Kr. Mishra</i>	87
7. Human-Altered Environment and Plant Community <i>Asok Kumar Mukherjee</i>	100
8. Impact of Climate Change on Diversity and Distribution of Fungal Community <i>Prakash Pradhan and Krishnendu Acharya</i>	111

9. Climate Changes and Crop Protection: An Overview <i>Ashim Chowdhury, Wasim Akhtar, Sujay Saha and Ruchi Garg</i>	121
10. Global Climate Change vis-à-vis Agriculture and Food Security <i>Rathindra Narayan Basu</i>	138
11. Climate Change and its Impact on Antarctic Life <i>Asok Kanti Sanyal</i>	166
12. Climate Change and its Impact on the Distribution of Birds in Southern Indian Ocean and Antarctica <i>K. Sivakumar and S. Sathyakumar</i>	174
13. Impact of Climate Change on Soil and Soil Biota <i>Subrata Roy</i>	188
14. Climate Change and its Impact on Sundarban Biosphere Reserve <i>Pranabes Sanyal</i>	196
15. Climate Change and its Impact on Wetland Ecosystem <i>Tapan Saha</i>	200
16. Climate Change and its Impact on Aquatic Biodiversity <i>Ramakrishna and C. Raghunathan</i>	206
17. Climate Change: Impacts on Species Conservation <i>Dipankar Ghose</i>	222
18. The Changing Global Climate and Future of Marine and Inland Fisheries <i>Anilava Kaviraj</i>	227
19. Impact of Climate Change on Human Physiology vis-à-vis Human Health <i>Somenath Roy</i>	236
20. Climate Change and Human Health <i>Krishnangshu Ray</i>	246
21. Impact of Climate Change on Microbial Community with Special Emphasis on Cholera <i>Banwarilal Sarkar</i>	253
22. Some Thoughts on Environment and Arthropod Borne Diseases in India <i>Amiya Kumar Hati</i>	258

23.	Birds in a Warming World: A Review	263
	<i>Subhendu Mazumdar and Goutam Kr. Saha</i>	
24.	Impact of Micro and Macro Level Climate Change on Animal Behaviour	277
	<i>Pulak Lahiri</i>	
25.	Climate Change and Biodiversity: Indian Initiatives	284
	<i>Ramakrishna</i>
