Preface

This book comprises whose coming into publisher. Already Jemberre (Part I). Mary a work of literature who deceased would have death. Shoudering such a prolific work indeed a challenge of the deceased's view. That being said, a preface and concluding the preparation for this book is designed in the legal history (PMAC), the People's Transitional Government, the Republic of Ethiopia. The book deals with the following the detailed background to the era was transformed. It also highlights the era was transformed.
