

# Chapter

- 1. Introduction ..... 1**  
Statement of the Problem—Pisciculture Industry in Kurnool District—Importance of the Study—Objectives—Hypotheses—Concept of Fisheries—Selection on Respondents—Methodology—Limitations of the Study—Period of Study—Plan of Study—References.
- 2. Review of Literature ..... 11**
- 3. Scenario of Inland Fisheries in the World ..... 26**  
Inland Fisheries and Economic Development—Contribution of the Global Economy—Contribution of National Economy—Contribution to Local Economy—Contribution to Gender Empowerment—Aquaculture—Growth of Aquaculture—Utilization of Fish Production—Growth of Marine and Inland Fisheries—World's Largest Lakes—Dams and Fisheries—International Fish Trade—References.
- 4. Growth of Inland Fisheries in India ..... 46**  
Prawn Culture—Suitable Stocking—Growth of Fisheries Sector—Scenario of Inland Fisheries in different States—Shrimp Production—Export of Fish Production—Outlay of Fisheries—References.
- 5. The Profile of Kurnool District ..... 64**  
Location—Physiography—Rivers—Flora and

Fauna—Irrigation—Mineral Resources—Tourist Resources—Demographic Particulars—Occupational Distribution—Land Utilization Pattern—Cropping Pattern—Fishery Resources—Scenario of the Fisheries Industry—Fish Seed Production and Distribution—Fisheries Training Centre—Fisheries Co-Operative Societies—Growth of Fisheries Co-operative Societies—Self-help Groups—Growth of Fish Production—Various Species of Fish Production—Outlay—Stay—Outlay—Central—References.

<b>6. Development of Inland Fisheries in Andhra Pradesh .....</b>	<b>80</b>
Origin of Fisheries Department—Fishermen Population—Fish Production and Export—Inland Fisheries—Fishermen Co-operative Societies—Women’s Fisheries Co-operative Societies—Micro-finance—Fish Ponds—Fish Production-District-wise—Fish Culture-Species-wise—Fish Production-State-wise—Fisheries Sector-Plan Outlay—References.	
<b>7. The Impact of Fisheries on the Respondents .....</b>	<b>95</b>
Fisheries Occupation—Educational Background—Community Status—Land-holding Particulars—Employment Status—Types of Fish Culture—Fish Production—Investment in Aquaculture—Fishermen’s Income—Emerging Trends of Conventional Paddy-cum-Fish Culture—Growth of Fish—Problems of Inland Fisheries.	
<b>8. Summary and Conclusions .....</b>	<b>105</b>
Suggestions—Area of Further Research.	
<i>Bibliography</i> .....	115
<i>Index</i> .....	129
