

PART ONE : Physical Anthropology – The Earlier Trend

1. Racial Studies in India : Recent Trends
D. K. Sen ... 1-16
2. Race Mixture and Culture
H. L. Shapiro ... 17-22
3. A Statistical Study of Anthropometric Affinities in Southern India
A. K. Adhikari, Partha P. Mazumder and J. Roy ... 23-44
4. The Know-how of Portrait Building System (PBS)
Mahadeb P. Basu ... 45-54
5. A Demographic Study of the Kota of Nilgiri Hills
Arabinda Basu ... 55-69
6. Dental Health in Ancient India
Anadi Pal ... 71-77

PART TWO : Emerging Issues in Physical Anthropology

7. Relative Effects of Physical Environment and Socio-cultural Factors on Human Biological Traits in Relation to Adaptation : An Analytical Perspective
Ranajit Chakraborty ... 79-86
8. Multidisciplinary Studies of Human Adaptability : Twenty-five years of Research
Michael A. Little, Paul W. Leslie and Paul T. Baker ... 87-111
9. Patterns of Marriage and Family Formation in Rural India and Genetic Implications of Family Planning
D. P. Mukherjee ... 113-125
10. Abnormal Haemoglobin and Thalassemia : Their Geographic Distribution and Genetic Aspects
J. B. Chatterjea ... 127-139

11. The Concept of Faith Healing in Sikhism :
An Aspect in Medical Anthropology
Gurinder Kaur, B. G. Banerjee and A. K. Sinha ... 141-153
12. Detribalization and Gene Pool Alteration :
A Case of an Endangered Community
Rowe V. Cadelina ... 155-166
13. Genetic Studies of Pangwalas, Transhumant and
Settled Gaddis : On Finger Dermatoglyphics
*M. K. Bhasin, Inder P. Singh, H. Walter, S. M. S. Chahal,
V. Bhasin, Ratanjit Singh and K. Sudarshan* ... 167-175
14. Trends in Biological Anthropology : The Wheel Turns
Full Circle ?
D. F. Roberts ... 177-185

PART THREE : Prehistoric Archaeology

15. Biology, Culture and Climate in Hominids, Past and Present
Philip V. Tobias ... 187-199
16. Need for Anthropological Orientation in the Study of
Indian Prehistory
G. S. Ray ... 201-210
17. Prehistoric Research in India : Its Status and Possible Role
in AD 2000
Pratap C. Dutta and Bharati Debi ... 211-219
18. A Study on Pebble Element in Palaeolithic Culture Complex
of South Asia
Asok K. Ghosh ... 221-234

PART FOUR : Social-Cultural Anthropology and Allied Disciplines

(i) Tribal History and Ethnography

19. Ancient Indian Tribes and their Integration into the
Hindu Society
Mamata Chaudhuri ... 235-252
20. Ethnohistory of the Tribal Population of Middle India
Hirendra K. Rakshit ... 253-267
21. Endangered Tribes and their Development in Andaman
and Nicobar Islands
Jayanta Sarkar ... 269-317

(ii) Tribes of North-East India

22. Mother's Brother's Daughter Marriage among the Thadou of Manipur
R. K. Das ...319-326
23. Ecology in Time and Space : Structural Transformation among the Meitei of Manipur Valley
R. K. Saha ...327-343
24. The Zeliangrong Religion : Its Theology and Philosophy – Some Observations
Gangmumei Kabui ...345-351

(iii) Village Studies

25. India's Villages and Ancient Towns
Nirmal Kumar Bose ...353-358
26. An Outline Framework for the Study of Politics in Village India
F. G. Bailey ...359-363
27. Social and Political Theory and the Symbols of Empire in 19th Century India : A Proposal for Research
Bernard S. Cohn ...365-369

(iv) Organisation of Production/Occupation

28. Hunters and Gatherers in India : A Preliminary Appraisal of their Structure and Transformation
Ashim Kumar Adhikary ...371-379
29. Nomadism in India
P. K. Misra ...381-387
30. Shifting Cultivation in India
Saradindu Bose ...389-398
31. The Fishing Communities of Chilka : A Study in their Ecosystem
Bikash Raychaudhuri ...399-408
