Chapter V: Yokohama Declaration 2010

---

**Preamble**

The World Congress ("World Congress") held three objectives:

First, recent efforts in the beginning to be observed here in Yokohama, to begin to discuss once again.

Second, the use of 2004 remains very pressing with intellectual disability to improve countries and use them.

Third, based on the three consecutive days of adult guardianship, 60 people from 16 countries.

I would like to express the success of the meeting.

With the above three consecutive days of adult guardianship, 600 people from 16 countries.

This book is a summary of individual reports for world.
